

## Confidential Policy

We take your right to privacy very seriously and want You to feel secure and comfortable while using this resource. All information published by users of this resource in the user's personal account, and all information about the activities of any other person associated with it, is confidential.

We strictly stand by the following principles:

- we will not sell or transfer Your personal information to third parties, except in cases where the provision of this information is required by existing legislation and required by public authorities;
- we will not share your contact information with other users, except in cases where You have expressed a desire to establish contact with someone;
- we will not use this information for direct marketing purposes (such as offering you services) or sending you any correspondence that You have not requested;
- any information you provide will be protected by all means available to us.

## Registration

When you create a profile, you provide us with certain information. This information will only be used to create your profile and will not be saved if you do not register.

## Cookies

When you visit an Internet site, we may automatically collect data that is not personal in nature (for example, the type of Internet browser and operating system used, the domain address from which you came, the pages viewed, the number of visits, and the average time spent on our website). When you browse our website, we may store certain data on your computer in the form of a cookie to automatically recognize you on your next visit. If you do not want to store cookies on your computer, please configure your Internet browser to delete all cookies from your hard drive, block all cookies, or receive a warning before a cookie is saved on your computer's hard drive.

## Use of the Data

We will make every effort to ensure that Your data is not made available to third parties, or is available to them, subject to the following conditions:

- unless otherwise provided in the Confidential Policy;
- if we receive your consent to the public use of Data;
- if the service provided on our site interacts with a third party or is provided by a third

- party;
  - in accordance with the legal process or law enforcement;

If you use the links on our site to get to sites for which our Confidential Policy does not apply, we recommend that you read the similar policies of such sites before leaving any information about yourself on them.

#### Confidential Policy changes

We reserve the right to make any changes to our Confidential Policy. If there are significant changes that affect your personal information, we will notify You at the main email address specified in our system.

#### Other conditions

While this Confidential Policy states our standards of service, we will make efforts to protect Your data, but there may be factors outside of our control (force majeure) that may result in data disclosure. In such cases, we disclaim any guarantees or conditions relating to the service or non-disclosure of Data.

We will assume that all information you send to our email address is not confidential unless the "Confidential" mark is made.

The provision of this Confidential Policy remains in force and is binding on the Parties both during the entire term of the service and in the future.

For the functioning of the site, as well as for our own statistical analysis of traffic, we keep statistics of IP addresses of visits.

The system DOES NOT record email addresses.

The gathered information is in no way associated with specific users, and is processed only in the form of generalized statistics.
